## Visits and Visitors Feedback - Shropshire SACRE

The Standing Advisory Council on Religious Education (SACRE) in Shropshire is the statutory body which advises the Local Education Authority on religious education (including an agreed RE syllabus) and daily collective worship.

The members of Shropshire SACRE, from a variety of religious and non-religious worldviews, are available to visit schools to support teachers in both primary and secondary state schools to deliver the very best in religious education and collective worship.

For example, SACRE members can visit schools to work with small groups of children, whole classes or to deliver whole school assemblies and collective worship sessions. Each visit can be planned with the class teacher in advance to ensure it meets the requirements of the religious education and collective worship objectives for the school.

SACRE members can also advise on a school's curriculum planning and can assist with staff PD days.

SACRE members may be able to advise, organise or lead school visits to places of worship or places of religious or non-religious significance.

In these ways SACRE members can work with teachers to help children to develop their religious literacy skills and enhance their spiritual and moral wellbeing.

SACRE members will follow your school's visitor policy guidance and requirements, so please ensure you share this with them in advance. SACRE members will not indoctrinate or promote particular religious or non-religious world views and will be respectful of other worldviews. For further guidance we recommend NATRE's 'Voices of Faith and Belief in Schools Guidance and Code of Conduct', which can be accessed by clicking [here](#).

SACRE members will require a member of the school staff to be present at all times during the visit. School staff are responsible for directing the visit and ensuring positive pupil behaviour. SACRE members are not teachers, so value any guidance and feedback you can give them to make sure the sessions are the best they can be.

All school visits by SACRE members are free, though some members may ask for a contribution towards travel expenses. If workshops are requested, the school is asked to cover the cost of materials. Any donation that a school wishes to make could be sent to the Shrewsbury Interfaith Forum or the South Shropshire Interfaith Forum.

# Further Resources

Following a grant awarded from the Westhill Trust, Shropshire SACRE produced a set of videos from different worldviews to use in Collective Worship, or in your RE lessons. Please take a look and we hope you find them both useful and inspiring in your school: <https://www.youtube.com/@shropshiresacre9284>
