The following link to Educational Visits contains the Shropshire Regulations And Guidelines For Educational Visits And Journeys

<https://www.shropshirelg.net/supporting-teaching-and-learning/educational-visits/educational-visits/>

This document is essential for all those who have responsibility for the approval, planning and/or execution of any educational visit. All visits must be planned and organised in accordance with this document. The status of this document is, therefore, mandatory for all Shropshire LA community and voluntary controlled schools. Any foundation or voluntary aided schools choosing not to follow the Shropshire LA guidelines must (as employers) have other guidelines in place for educational visits and journeys, which the LA will expect to be at least as comprehensive as its own guidelines.
